2023 IEEE Green Technologies 15th Annual Conference
April 19-21, 2023
Sponsored by **IEEE PES, IEEE PELS, IEEE IAS, IEEE RS, IEEE Denver Section, and IEEE Region 5**

The main areas of interest are

- **Energy Generation, Transmission, Distribution and Storage.**
- **Renewable Energy and Smart Grids.**
- **Transportation Electrification.**
- **Codes, Standards, Regulations and Polices.**

Submissions in the following or related technical topics are invited

- Wind Energy Systems
- Photovoltaic Energy Systems
- Smart Grids Applications
- EV/PHEV/HEV/FCEV Powertrain
- EV/PHEV/HEV Charging and grid integration
- Electric Machines and drive systems
- AC/DC, DC/DC, and DC/AC Converters
- Control of Power Electronics Systems
- Energy Storage Systems
- Distributed Energy Resources
- Modeling and Control of Power Systems
- Communications in Power Systems
- Energy Conversion for SmartGrids and Technology
- Optimization of Power Systems
- Education in Electrical Engineering
- Energy Market, Policies, Codes, and Standards
- Cyber and Physical Security of Power Systems
- Reliability, Resilience, BlockChain

- **Special Sessions:** Proposals are sought for the organization of special sessions, tutorials, and workshops at this venue.
- **Industry Track:** Proposals are sought for the organization of industrially focused panels, tutorials, mini-courses, papers, and sessions.
- **Award Programs:** Student travel grants, Best presentation awards, and Best paper awards will be offered.

General Chair
Abd A. Arkadan (USA)

Technical Program Chair
Ahmed A. S. Mohamed (USA)

Publication Chair
Shakil Hossan (USA)

Industrial Program Chair
Eric Gupta / Rohit Sing (USA)

Special Sessions, Tutorials, Workshops Chair
Irfan Khan (USA)

Award Programs Chair
Sameh A. Eisa (USA)

Technical Program Committee
Abd Arkadan, *Colorado School of Mines*
Ahmed Mohamed, *Eaton Research Labs*
Irfan Khan*, Texas A&M University*
Shakil Hossan*, Eaton Research Labs*
Eric Gupta, *Black & Veatch*
Dragan Maksimovic*, CU Boulder*
O. Mohammed, *Florida International University*
Babak Fahimi, *University of Texas, Dallas*
Rohit Singh, *Dish Wireless*
Zafar Taqvi, *University of Houston-Clear Lake*

International Advisory Committee

Sanjana Emmanuel

All accepted papers will be presented in either oral sessions or poster sessions during the conference. The presented papers will be published through the digital library IEEEXplore. Papers submitted should not exceed **FIVE** pages including all text, references, and figures. Please visit https://ieeegreentech.org/cfp/ for the details and instructions. Selected accepted papers may be reviewed for possible publication with the IEEE Trans on Industrial Applications and others after the event.

Technical Paper Submission deadline: December 11th, 2022 @ https://edas.info/N30172 *Extended*
Author Decision Notification: February 1st, 2023
Technical Paper Camera Ready: March 1st, 2023
